1839 Saw Mill To Be Reconstructed

THIS IS ARCHITECT MIKE SUTTER'S rendering of the 1839 saw mill to be reconstructed on Sequoit Creek as a highlight of Antioch's bicentennial celebration. William E. Brook, chairman of the local Bicentennial Commission, said the new mill will be somewhat of a replica of the saw mill built by Hiram Buttrick who was one of Antioch's original settlers. Construction dates are still tentative and the work will be directed by Walter Shepard, superintendent of

public works, and Frank Angelotti, village engineer. The mill will be near Cunningham Drive, west of Main St. Vern Thelen is donating the concrete work and Missouri Cunningham the excavating and part of the land. The Rotary Club has donated \$3,000, the 885 Civic Club gave \$1,000, and another \$1,000 grant is coming from the state. Mr. Brook said that Mr. Shepard will be looking for "donated labor" when construction begins.

The information came in yesterday's mail and tells about a special Bicentennial Trip to Poland. The tour lasts 12 days and four nights.

You depart from Jacksonville International Airport at 4:35 a.m. on the first day and spend the second, third, fourth and fifth days in the air.

Finally you arrive at the Warsaw Hilton.

After a complete tour of Warsaw, including a meeting with the Polish Dental Society, you get side trips to Bydgoszcz and beautiful downtown Klechowski. You tour the

Parker and Quedenfeld Are Elected

Two new members were elected to the Antioch Grade School board of education last Saturday.

District 34 voters chose Homer "Sid" Parker and Jimmy Quedenfeld over four other candidates.

They will serve three-year terms on the board.

Parker led the voting with 324. Quedenfeld collected 275.

In third place was Robert Olson with 206 votes while incumbent Robert Kelley was fourth with 205. Michael DeBenedetto received 156 votes and Clinton Glover 125.

Board President Gerald VanderMeer did not seek re-election. The board was scheduled to be reorganized Tuesday night with new officers elected.

Members, in addition to Parker and Quedenfeld, are Milo Bailey, Ray Atwood, LaVerne M. Woods, Gail Heath and Jim Miles.

AT LAST Thursday's meeting the board accepted a resolution for the sale of bonds in the amount of \$174,000 for life-safety and updating working at the Antioch Lower Grade School.

The administration also was

given authority to buy a security alarm system for the Oakland grade school.

At Tuesday night's meeting, which was held after this edition went to press, the board discussed the 1895 school building on Main St. with Marilyn Sterbenz, Bill Brook and Mayor Robert Wilton. They are members of the Antioch Bicentennial Commission, which is considering the old building as a possible museum and meeting place.

Also considered was a teaching contract for Jane Effinger, who specializes in learning disabilities.

PLAYING THE ROLE of Judas in "Jesus Christ Superstar" is Frank Gaughan. The interesting rock opera, which includes some of the most popular music of recent years, opens tonight (Wednesday) at 8 o'clock at the Antioch High School auditorium. Performances also will be given on Thursday and Friday at 8, and tickets will be sold at the door.

Opens Tonight

The rock opera "Jesus Christ Superstar" opens tonight (Wednesday) at the Antioch High School auditorium. Curtain time is 8 o'clock and tickets will be sold at the door.

The production will be repeated on Thursday and Friday nights at the same time.

Ken Smouse is directing. The part of Jesus is played by Tom McGrath; Judas by Frank Gaughan; and Mary Magdalene by Mary Chris LaKome.

Choreography for the soul choir is by Susan Tetzelska. Bob Kelter, percussion, is directing the orchestra.

Rice and Webber's rock opera has attained world-wide recognition as an exciting quest after human and divine truths. "Basically, the idea of our whole opera was to have Christ

seen through the eyes of Judas. With Christ as a man, not a god,

our intention was to take no religious stand on the subject, but rather to ask questions," said Webber and Rice in

HORRAY FOR those Fox Lake teen-agers who picketed the Towne Theater in that community. More than 20 young people protested owner Henry Rhyan's showing of X-rated movies.

According to the Waukegan News-Sun, Rhyan said "it's a matter of economics," and he doesn't have to show X-rated movies at his Antioch theater because regular programming is paying its way.

Wonder what would happen if X-rated movies did pop up here.

Paul Kinas, one of the organizers, tells us that everybody had a ball last Saturday at the Las Vegas Night bicentennial party.

The event attracted 225 people to St. Peter's social center and I'm sorry I couldn't make it 226.

However, it was a success without me. Paul says his club, the Antioch Jaycees, and the Viking Football program, probably will enjoy profits of more than \$1,000.

Thirty-six Jaycees worked on the project, staging one of their best events.

"I'm really pleased with the guys and the way they helped," says Paul. About 24 parents of Viking football players also pitched in and "everybody was hustling," Paul says.

We're already looking forward to the second annual Las Vegas night.

WE HAVE been told that a big, strong member of the Antioch Lions Club has been shopping for the golf season at Antioch Country Club. And, our inside source tells us, he has selected gold Bicentennial golf shoes, a hot pink golf shirt and a pink putter with daisies painted on the top.

We have been asked to mention his name, or at least his initials; but, you know ... we're kind of afraid to.

We'll have to leave it up to F.S. and I.B. to thrash this out between themselves, until we actually see the big, strong guy in that outfit. Then we would, of course, have his picture taken for the newspaper.

SURE HOPE Tom Poulos had a happy birthday Monday. And speaking of birthdays, Patti Wilton celebrates Thursday. Diane Vos and Mark Crawford on Friday and Ken Smouse on Sunday.

We sure aren't going to miss Director Smouse's staging of "Jesus Christ Superstar" at the high school tonight, Thursday.

EGG HUNT SATURDAY

Conservation Club Plans Many Events

By CHARLES P. RAYMAN

On Saturday the Northern Illinois Conservation Club will conduct its 16th annual Easter Egg Hunt at the club headquarters just off Route 173, about 2½ miles west of Antioch.

For many years this Easter-related activity has attracted several hundred children and

their parents to participate in the hunt for colored eggs and the extra plastic eggs which contain prize tickets.

THIS YEAR, beginning at 11 a.m., children 10 years and under will be eligible and (at the starting signal) will scatter and the hunt will be on. Children will be divided into several age

groups and prizes given for those collecting the largest number of eggs in each category.

The club kitchen will be open to serve coffee and rolls and will remain open for the remainder of the day while trap range activity is conducted for qualified shooters.

FREE INSTRUCTION in shotgun handling will be available throughout the afternoon.

The Northern Illinois Conservation Club is a growing non-profit organization which has as its precept the promotion of public awareness of the importance of conservation in Illinois and the United States.

Club efforts are devoted to a better understanding of fish and game laws and the management of wild life.

The club tries to instill in the minds of its members and the public a love for the outdoors and an enduring respect for the laws affecting conservation.

It works for legislation designed to aid in the development of conditions which will increase and save for posterity an abundant fish and wildlife population.

The club works to promote respect for the rights of property owners in the promotion of good fellowship among all sportsmen.

BARRY GOLDWATER

Primary Elections Force Look at Issues

By SEN. BARRY GOLDWATER

Despite all the confusion and rhetoric, this year's presidential primaries have yielded some surprising dividends. They are providing the voters of America with a good look at the men who want to lead us into our third century, and they have given the people a fairly good look at the issues.

A few good results from the operation of the presidential primary system can be noted as follows:

1 - President Ford abandoned the use of the word "detente," and the entire foreign policy of the nation came in for the kind of debate I believe may spell an end to our misconceived idea that tensions can be reduced by making concessions to the Communists.

2 - At least one Democratic candidate for President, Rep. Morris Udall of Arizona, has stopped using the word liberal to describe himself, in an obvious belief that the American people no longer care for this political designation.

3 - President Ford and Secretary of State Henry Kissinger have gotten tough, at least in their public statements, with Communist Cuba. And this comes on the heels of repeated attempts by the Administration to formulate smooth relations in the Western Hemisphere with Cuba.

4 - Concern about "leaks of government information" is

definitely gaining strength while criticism of the CIA and the FBI is beginning to fade. I don't say that the entire populace has changed its mind, but the trend is running heavily against those who insist on keeping up a barrage of abuse at the American intelligence community.

IN FACT, things have changed so importantly on this front that the House recently approved funds to finance an investigation into who was responsible for giving the highly secret Pike Report on the CIA to CBS reporter Daniel Schorr.

It wasn't so long ago, at the time when Daniel Ellsberg was busily spreading top-secret information among newspaper publishers, that the feeling was much different. In Ellsberg's time the House might have even considered legislation to give him a special medal of achievement.

In short, the primary debates have injected a high degree of intelligent consideration into the discussion of public affairs. This has long been seriously needed.

gram is another of the NICC efforts and will begin on Apr. 24.

On May 1, the club's annual Kettle Moraine trip will take place.

Open trap shooting has already commenced at the club range and competitive leagues are being formed now. The league will begin regular competition shooting on May 10 for a

10-week schedule on Friday nights from 4 p.m. till dark.

Saturday competition will begin as early as entrants arrive and continue until darkness. The Sunday schedule is from 12 noon until dark.

The Doc Jensen Gun Safety Program, endowed by the late Dr. George Jensen, will get underway early in July.

100 Bank Women Meet in Springfield

Mrs. Betty Sutcliffe, vice president and cashier of the State Bank of Antioch, and Dolores Pierce, assistant cashier, attended the spring meeting of the Illinois Group of the National Association of Bank Women, Inc.

The meeting in Springfield, Apr. 6 and 7, brought together more than 100 women officers of banks throughout the state, with the unifying theme of "Spirit of '76."

The workshops attended by Mrs. Sutcliffe and Mrs. Pierce featured sessions on the Individual Retirement Account (IRA), Electronics Funds Transfer (EFT), the Officer Call Program, and methods for success in cross-selling and marketing.

Prominent speakers during the two-day meeting included Joseph Ciacio, deputy commissioner of

banks and trust companies of the state of Illinois; I.F. Mason, director for Dale Carnegie Courses; Daniel Isackensen, president of the Suburban Computer Services of Palatine; Mrs. Wanda Mallow, assistant vice president of Palatine National Bank; Miss Marilyn Eschenberg, Lake Regional Vice President of NABW and vice president of the Citizens National Bank of Wooster, Ohio.

The National Association of Bank Women, Inc., is an organization for women holding executive and official positions in banks, savings banks and trust companies. There are approximately 8,000 members in all 50 states and four foreign countries.

Forster, Johnson Re-Elected

Charles J. Forster and Frank C. Johnson have been re-elected to the Antioch High School board of education.

The two incumbents defeated their only opponent, 21-year-old Scott M. Fire.

Voters in High School District 117 gave 546 votes to Forster, 509 to Johnson and 238 to Fire.

Forster and Johnson will now begin their second three-year terms on the board.

The turnout was good in Antioch's Precinct 1. Forster received 429 votes, Johnson 400 and Fire 151.

In Lake Villa's Precinct 2, Forster led with 62 votes, followed by Johnson with 57 and Fire with 47. In Lindenhurst, Precinct 3, it was 55 for Forster, 52 for Johnson and 40 for Fire.

A total of 703 votes were cast. There were 10 write-ins and eight defective ballots.

Letter

Dear Sir:

We wish to express our gratitude to the businesses of this community for their generosity in supporting our annual Fun Fair, held Mar. 14.

We would like to say a special thank-you to the State Bank of Antioch for not only contributing to our very successful raffle, but also for their donation to cover our food expenses.

We are particularly grateful to all the teachers, parents and students who worked long, hard hours to make this event so successful. It is

the only money making event the Antioch Grade School has for the entire year, and it must, therefore, be profitable.

We are happy to report that, thanks to everyone, it was very profitable. This money will be used throughout the school for many needed supplies and equipment. Again, thank you all.

Sincerely,

Harlan Ware, Principal
Antioch Grade School

Grass Lake School Offers Evaluation

Any District 36 parent who has a concern for a pre-schooler can request an evaluation of the child by calling the Grass Lake school office, Dr. Gene Paulausky, superintendent of the school district, said.

The office number is 395-1550. Dr. Paulausky said:

"The Illinois school code makes it mandatory that local districts provide for exceptional children. Exceptional children are those having handicaps characteristics in the areas of physical disability, social or emotional development, specific learning disabilities, retarded intellectual development or speech defects and language development problems."

'Clean Water' Group Meets Here Thursday

The Fox River - Chain o' Lakes commission has called a special meeting for Thursday at the Antioch Village Hall.

Executive Director Jerry Murphy said the meeting will begin at 4 p.m. and the purpose is "to discuss a change in our priorities because of the delay encountered in receiving approval from the Milwaukee Road for the Nippersink Lake containment area."

Help a shut-in. Ask a neighbor who is temporarily "grounded" if you can pick up any groceries for her.

BRINGS YOU

APRIL 19-25, 1976

No more gloom over Winter's tomb.

The woods are drying out so watch all fires... "Mark Twain" died April 21, 1910... Third quarter of the moon April 21... Set clock ahead one hour before retiring April 24... Average length of days for the week, 13 hours, 44 minutes... Boston Marathon April 19... New Guinea landings April 20, 1944... Maple sugar season over... A long life may not be good enough, but a good life is long enough.

Old Farmer's Riddle: Which two Presidents could take shorthand? (Answer below.)

Ask the Old Farmer: Who in Sam Hill is (or was) Sam Hill? Y.L., Mt. Pleasant, Mich.

Sam Hill was a judge of probate in the Connecticut colony — 1750 or so. Famed for fire, brimstone, and general influence. He was widely known and sworn by — also at, in all probability.

Home Hints: Crayon marks on wallpaper usually can be removed by lightly rubbing the marks with dry, soap-filled steel wool pads...

Riddle answer: James Madison and Woodrow Wilson.

OLD FARMER'S WEATHER FORECASTS

New England: Quite cool and rainy to start, then clearing; showers and heavy rain in mountains latter part.

Greater New York-New Jersey: Light rain at first, then cloudy and cooler than normal; some sun, some showers but very cool end of week.

Middle Atlantic Coastal: Week begins with light rain and very cool, then becoming clearer and warming; warm rain latter part, clearing and much cooler by week's end.

Piedmont & Southeast Coastal: First part of week generally cloudy and cold with light rain; latter part cloudy, but milder, with light rain ending by week's end.

Florida: Moderate showers and cooling at first, then partial clearing; end of week sunny with normal temperatures, some showers in south.

Upstate N.Y.-Toronto & Montreal: Week begins rainy, then partial clearing and cooler; rainy and mild latter part, then cloudy and much cooler at end of week.

Greater Ohio Valley: Clouding up and cold at beginning of week; latter part seasonable and fair in south, intermittent rain in north and east.

Deep South: Rainy and very cool at first, then clearing and normal; week ends cloudy with scattered showers, except moderate rain in central.

Chicago & Southern Great Lakes: Week begins rainy and cold, with snow possible in east; latter part variable with showers, but clearing and seasonal by week's end.

Northern Great Lakes: Mostly sunny and warm all week in the west, showers and warmer in central and east.

Central Great Plains: Cloudy and cool at first, then sunny and warm, some rain in southeast; partly cloudy and cooler through weekend.

Texas-Oklahoma: Clearing first part of week, then turning very warm; latter part showers and cooler except in south.

Rocky Mountain: Week begins clear and hot in central and north, partly cloudy and warm in south; latter part cloudy and cool with light rain in central and north, sunny and very warm in south.

Southwest Desert: First part of week mostly sunny with temperatures well above normal; partly cloudy latter part, clearing on weekend, but still very hot.

Pacific Northwest: Clear and hot at first, then clouding up and cooler with rain in south; latter part cloudy and seasonable with light to moderate rain.

California: Early week rainy in north and cooler, partly cloudy and seasonal in south; general clearing and warmer end of week.

THIS PICTURE, by professional photographer Joe Rush of Antioch, will hang at the national convention in Washington, D.C. It is titled "Partners."

Rush Wins Awards

Joe Rush, photographer and owner of B-J Rush Studio, Antioch, and Langdon's of Barrington has again had award winning prints hung at professional conventions.

In March four prints were submitted for competition to the Wisconsin Professional Photographers convention, and all four received scores high enough to hang for display and receive ribbons.

The Illinois Professional Photographers Association convention was held in Peoria Apr. 3-6. Of the four prints submitted there, all received ribbons, were hung for display, and the above picture of Miss Dickelman of Barrington and her horse, titled "Partners," also received a high enough score that it will automatically hang at the national convention in Washington in August. It also won a merit point towards Rush's masters degree in photography.

The Northern Illinois Professional Photographers, an association of 100-plus members will be meeting at the Antioch Country Club today (Wednesday) with Joe and Barb Rush serving as hosts for the day-long meeting.

Wendell Burris Honored at U. of Illinois

Antioch Community High School has been presented a "Book Award" from the University of Illinois Mother's Association. It was awarded in recognition of Wendell Burris, a 1975 graduate of the high school.

Wendell, son of Mr. and Mrs. William Burris of 399 Maplewood Drive, Antioch, was one of the few freshmen out of 5,790 at

the University of Illinois who achieved a straight "A" average in his first semester at the university.

Trapshoot Rivals Exchange Barbs

The big trapshooting match scheduled in Antioch at 2 p.m. on Sunday, May 2, is getting a "Muhammed Ali" type of build-up.

Jim Means of Norshore Re-

sort has challenged Dave Bushing of Foremost Liquors and Bill Brook of the State Bank.

Actually, Means said, he issued the challenge to the State Bank's best shooter and was surprised that the bank didn't

choose its popular secretary, "Petey" Filip, to compete against him.

This week, Means said he owes Mrs. Filip "an abject apology."

"Even mentioning her name in conjunction with such an obviously sordid affair was like mentioning Princess Grace with Hee Haw," Means said, flashing a sly smile.

Bushing and Brook said they have "reluctantly agreed" to Means' choice of Ernie DiLabio as umpire. The loser of the match will have to donate \$50 to the DiLabio's Northern Illinois Conservation Club and the shooting will be done with rare, old-time weapons ... 9 millimeter shotguns, of all things.

Means said that DiLabio's retaliatory remarks "were of an unprintable nature, however, after referring to somebody's canine ancestry, Ernie was last seen heading south looking for 9 milk meters."

The match originally was scheduled for April, but Means said he agreed to the delay to May 2 because "my opponents need the warmer weather to get loose. The hot sun makes an old horse run better."

It is expected that Bushing and Brook will have some

comments to make about Means' latest remarks.

"The art of praising began the art of pleasing."

Woman's Club Group on TV

By FLORENCE PEDERSEN

Antioch Woman's Club members who took the Apr. 5 tour to the Phil Donahue Show in Chicago had a thoroughly enjoyable day.

The program they attended was televised Monday at 9 a.m. on channel 6, so they were able to watch themselves on television.

They also enjoyed a delightful lunch at the Rusty Scupper restaurant and shopping at the Warehouse.

One of our members, Ann Connors, who lives on Grass Lake Road, will present a very interesting program at next Monday's meeting, entitled "Colonial Williamsburg." Her husband, John, a professional photographer, took the slides which she will show and she will narrate the history of Williamsburg, of which she is very knowledgeable.

Ann St. Pierre and Caroline Costoff, program co-chairpersons, should be commended for arranging the tour and all the interesting programs presented this year.

RECENT TOUR OF THE STATE BANK of Antioch gave the sixth grade students of Randall Consolidated School in Bassett, Wis., a first-hand look at the facilities of the bank and a comprehensive demonstration of banking functions. Mrs. Jeannette Palusis, left, assistant auditor, explained the computer system that gives instant account information to tellers. Shown in foreground are, Steve Hendzel, Mike McRae, Karen Faber and Katie Stryker, accompanied by their instructor, Mr. Dave Carnahan. Members of the class observed the teller area, new account and loan offices, vault, 24-hour cash card machine and processing of transactions through proof machines in the bookkeeping department. Refreshments were served during a brief question and answer session following the tour.

Nursery Program At ACHS

The students in Miss Lucille Hacht's child care classes at Antioch High School will be conducting a "Pre-school Nursery" as a portion of their study.

For this activity, preschool children from within the high school district will be needed. Parents are welcomed to enroll their three, four or five-year-old by picking up a form from the high school receptionist.

School will begin at 10 a.m. and end at 12:05 p.m. on Mondays, Tuesdays and Thursdays from Apr. 29 to May 25.

Parents must provide transportation and pay a \$2 fee for snacks and class materials. Enrollment will be limited to provide the best learning situation.

The child care students will be nursery school teachers and aides under the supervision of Miss Hacht. Activities will include language, rhythms, color, movement and physical activities. Small science projects will be included.

ACHS Girls Enjoy Winning Seasons

Antioch High School's girls basketball teams have completed their seasons with winning records.

The varsity finished with 11 wins in 15 games and placed third in the conference with 7-2 record.

The junior varsity also had a 7-2 record in the conference, finishing second, and had a 9-3 record for the entire season.

High scorers for the varsity in its 15 games were LuAnn Odden with 163 points, Michele

Blanchette with 121 and Kim Case with 101.

Cathy Aschbacher led the junior varsity with a total of 74 points, followed by Julie Lytle with 70 and Sherry Wertz with 53.

Astro-Analysis

By Sonia

ARIES [March 21-April 19] - Circumstances pertaining to employment provide a chance to move upward. A good time to concentrate efforts toward improving the finances. Make decisions without involving family members.

TAURUS [April 20-May 20] - An abundance of energy causes you to get things done in record time. By maintaining a more rapid pace you are in a better position to dabble in extra curricular activities.

GEMINI [May 21-June 21] - Don't mingle with people who tend to stir up trouble or gossip unnecessarily. Keep activities strictly above board; you can rely on close friends who agree with you.

CANCER [June 22-July 21] - Be versatile; by keeping your schedule varied there's little chance for boredom. Proceed with ideas which may seem a bit unconventional to others.

LEO [July 22-August 21] - By keeping a strict work schedule you are in a prime position for advancement. A fine week to show your good leadership abilities.

VIRGO [August 22-September 22] - Keep in close touch with relatives even if you are obstructed by distance. Make contacts by phone or writing; plan to spend some future time with loved ones.

LIBRA [September 23-October 22] - Don't be disillusioned by those who tend to object to your present motives. Go ahead with schedule. Take care of estate planning and paperwork.

SCORPIO [October 23-November 21] - Keep on top of the situation by being well informed. Weigh all the aspects before making the big plunge. You're on your own when it comes to final decisions.

SAGITTARIUS [November 22-December 20] - Don't allow confusing issues to get in the way of an otherwise prosperous week. Be prepared for some interferences from outside sources so you can deal with them rationally.

CAPRICORN [December 21-January 20] - Increased magnetic qualities enhance romantic pursuits; social activities continue to keep popularity high. Concentrate on one things at a time when it comes to business.

AQUARIUS [January 21-February 19] - A hectic pace can be demanding so maintain good health. Be willing to take other people into your confidence as you may need additional assistance.

PISCES [February 20-March 20] - Clear up the clutter of unfinished business; be efficient with work. Letter writing and bill paying should be attended before undertaking any new project.

Melodrama on Stage Again This Weekend

There are still two more weekends to see PM&L Theatre's "bicentennial" gay 90's melodrama, "Dirty Work at the Crossroads."

Continuing dates are Friday, Saturday and Apr. 23-24. Curtain time is 8:30 p.m. The melodrama by Bill Johnson, directed by Don Beveroth, was seen by an enthusiastic "first-nighter" audience last Saturday. It promises to have a well-attended run, so be sure to reserve your seats now by calling 395-3055. Box office prices are \$3 for adults and \$1 for students.

Audiences are encouraged to hiss and boo villain Munro Murgatroyd (Bob Andresen) and his hench-woman Ida Rhinegold (Lyn Zaehler). Be sure to cheer the lovely heroine, Nellie Lovelace (Dee Baum), and stalwart hero Adam Oakhard. Remember, goodness always wins in the end!

Other important cast members are Shirley Jensen, Barbara and Bruce Berger, Sue O. Fisher, Suzee Elliott, and Ann Beveroth.

George Blanksten ties the whole thing together with an appropriate, "old-time" piano music background.

Happenings

Richard L. Sarmont, attorney and C.P.A., conducted a seminar concerning estate planning for individuals and related estate problems involving small businesses for 18 agents of the American Family Insurance Companies last week at the First National Bank of Antioch.

Lecture areas Mr. Sarmont covered included the nature and use of insurance trusts, marital deductions, gifts, use of trusts for gifts, estate and inheritance tax reductions, corporate and partnership redemptions and buy-sell agreements.

Mr. Sarmont was invited to speak before the Lake County agents by Bill Stanley, district sales manager for American Family Insurance Companies.

Fashion FORECASTS

WHAT TO EXPECT

FEMININITY COMES INTO FASHION

The awakening of the trend toward romance in fashion can already be seen in softer, gentler skirt shapes, fuller, more luxurious shirts and the return of the dress. Even pants have a less stiff look, having billowed into fuller evening pajamas with shimmery shirts. Lace trims, baby pearls, pale hose, kid gloves and hats shown internationally in designers' collections point to one thing. Romance is back.

AN ANIMATED Easter display has been created at Lakehurst shopping center and includes busy bunnies such as this one.

Elves and Bunnies 'Work' at Lakehurst

Gauzy-winged elves and fuzzy white bunnies are among the latest employees at Lakehurst.

They're painting and dyeing Easter eggs, touching up the flowers in their garden, and engaged in related occupations from 10 a.m. to 9 p.m. weekdays, 10 to 5:30 Saturdays and noon to 5 Sundays.

Without receiving a cent for their 67½-hour week, the enchanting little creatures never take a moment off from their work in the Central Court of the shopping center at the intersection of Rte. 43 and Belvidere Rd., Waukegan.

THE COLORFUL animated display is the work of Perren Gerber, famed designer of holiday extravaganzas that draw masses of people to Chicago's State Street every Christmas.

Gerber created the Easter exhibit exclusively for Lakehurst and each spring his staff inspects and refurbishes the bunnies and chickens and ducks, the elves and flowers and Easter eggs before setting up

the magic garden and adjusting the mechanisms of all the moving parts.

No two characters are dressed alike and each seems to have its own personality, from the pinafores girl bunny loading crates of Easter eggs to the gentleman bunny in formal attire launching a bunch of balloons atop a huge flower.

A BUSY bunny with a scarf flung jauntily around his neck paints a large revolving egg while still another, in ruffled apron, stirs dye for an elf dipping eggs. A tiny girl elf polishes the purple polka dots on a giant toadstool as other elves water the tulips and daffodils or play a tune on the bluebells.

The entire scene is as delightful for adults as for children, but the youngsters have one advantage. They can view Lakehurst's Easterland as one of the sights on their tour of the mall aboard the Easter Express, the little trackless train that runs from noon to 8 weekdays and noon to 5 weekends.

By BARB CORBIN

Student Travel ... Summer is coming upon us quite rapidly and once again the march of students to foreign lands will begin.

Of major importance not only for the students but also the parents back home - WHERE TO TURN FOR HELP?

Remember you're governed solely by the laws of the country you're visiting and that puts a limit on what the American Consulate can do for you. While out of the United States, the American Consulates can be your right arm. They will try to protect your rights under those laws as well as they can.

The consulates can request emergency assistance from foreign officials if you are sick, injured or stranded. Get in touch with relatives or friends for funds or guidance.

Give suggestions for possible sources of financial assistance. Visit Americans in trouble and provide names of local attorneys or physicians. Help locate missing Americans. Aid in transfer to a safe area during

BARB CORBIN

civil unrest or natural disaster.

Make sure you receive equal treatment under foreign laws. Before leaving the United States, obtain the list of consulates in the various countries of which you will be touring from your local travel agent.

This could keep your vacation a very pleasurable trip and not a nightmare.

Casey and Kook At Lakehurst

Casey and Kook are coming to Lakehurst and, according to youngsters who have seen them, they're "better than a circus or a magician or the Saturday morning cartoons."

The Playmakers, as the performers are called, are giving two free shows a day, Monday through Wednesday, Apr. 19-21.

At 1 and 3 p.m. in Lakehurst's Central Court, they'll create a play from characters and plot suggested by their audience.

Eunice Joffe as Casey and Barbara Kaden as Kook teach the children the basic tools of dramatics: imagination, voice, body and feeling while bringing to life the youngsters' own ideas and fantasies.

HERE HE IS AGAIN - Peter Rabbit is back at the State Bank of Antioch until Easter and instantly made friends of Ingrid and Kenny DeHart, children of Mrs. Jerri Des Jarlain, 948 Main St., Antioch. No purchase is necessary for youngsters through age 12 to guess the number of eggs in Peter Rabbit's basket for the 9th annual "Guess the Number of Eggs" contest. The contest runs through Saturday, when a first-prize 5-speed bicycle will be awarded to a boy and a girl. Two \$10 savings accounts and twenty \$2 savings accounts will also be awarded.

Understanding Your Child

CAN LOVE OVERCOME MALNUTRITION?

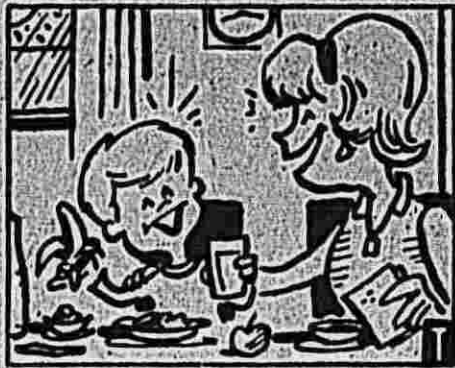

Parental love and recognition of a child at meal time may have more to do with his nutritional well-being than just providing an adequate food supply, according to Dr. Joseph Cravioto, professor of pediatrics at the University of Mexico. Dr. Cravioto told a recent professional symposium on the family, sponsored by the Johnson & Johnson Institute for Pediatric Service, of studies in child malnutrition he has been conducting.

With the same quantity and quality of food available to them, children who were shown affection by parents and who participated in family discussions and songfests at meals were far healthier than those who were ignored or made to feel unwanted at the dinner table, he reported.

Dr. Cravioto pointed out, too, that he found that in families where food was used as more than a nutri-

tional tool — where the aroma and appearance of the food were important parts of meal time activity — children tended to be healthier and stronger.

The social environment — not the food itself — was ac-

tually the key factor in a child's attitude and appetite at meal time, he concluded from his studies.

In addition to the dinner table phenomenon, Dr. Cravioto also noted a significantly lower incidence of child malnutrition in families where mothers encouraged children verbally and provided them with free-moving toys.

We like Senator Frank Church's comment when asked how a memo recently released by the Senate Select Committee on Intelligence could still exist when it was clearly marked "Do Not File." Said the Senator: "I can only assume that a 'Do Not File' document is filed in a 'Do Not File' file."

Edison Myth

Chicago (NFS) — Thomas Edison boasted he could get along on four hours' sleep a night.

But, according to the Spring Air Mattress Company, Edison was a great "cat-napper." He just never included his daytime snoozes in his sleep ration.

countryside in the comfort of a rebuilt Polish Army Tank, watching the local peasants working and performing native dances.

On the eighth day it's back to Warsaw for a tour of the University of Poland (both buildings). Everyone will get to see the university's book.

The last four days are spent flying back to Jacksonville, with only three stops. Two for fuel and one for directions.

The price of \$49.90 per couple includes meals, drugs and parachutes.

(Now, who in the world has the time to sit around and think these things up? Probably someone sitting in an office somewhere, being supported by taxpayers.)

A DAD we know suggested to his 4½-year-old son that he pick up all his toys before dinner.

The little boy looked at his Dad and said:

"Do you want to start something?"

"Yes," said Dad, staring back.

The little boy smiled and sang:

"Get Ray-o-Vac..."

Do you know what EER is?

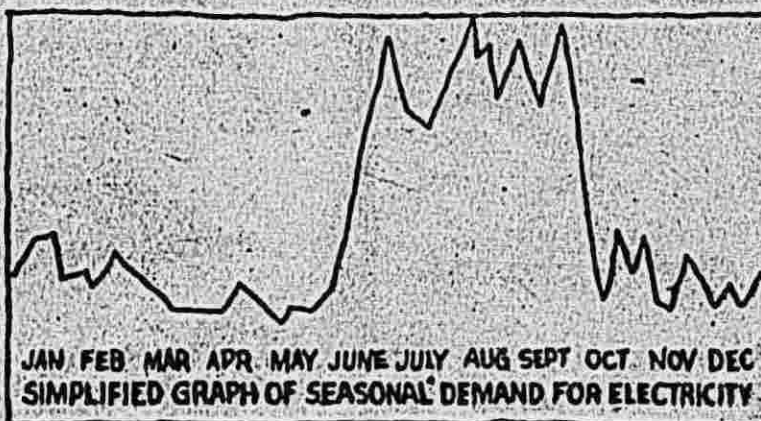

EER really stands for Energy Efficiency Ratio. And if you're buying an air conditioner this summer, you should know about it.

You may not realize this, but some air conditioners use a lot more electricity than others to cool the same amount of space.

And in the summer, when the heat gets unbearable and millions of people turn on their air conditioners to find relief, this can amount to a significant waste of electricity.

On a normal summer day, as the graph above shows, Commonwealth Edison may have to deliver three to four million kilowatts more than on an average winter day. To meet this summer demand, extra amounts of fuel must be burned. By making sure you buy the kind of air conditioner that gives the same cooling with less electricity, you can save money and save us all critically needed fuel. The thing to check is known as the EER, an engineer's term which stands for Energy Efficiency Ratio. And there's information on every air conditioner that lets you figure it out.

You don't have to be an engineer to find the EER. All the information you need to buy an efficient air conditioner can be found on the metal plate attached to the unit.

MODEL NUMBER		
ACR20874F		
VOLTS	CYCLE	PHASE
115	60	1
COOLING BTU/HR	AMPS	WATTS
7000	7.5	860

BTUs

WATTS

To get the EER, simply divide the BTUs by the watts. If you're comparing two 7,000-BTU models for efficiency, it would look like this:

$$\frac{1360}{7000 \text{ BTUs}} = 5.1 \text{ EER} \quad \frac{860}{7000 \text{ BTUs}} = 8.1 \text{ EER}$$

Our recommended energy efficiency ratio for an air conditioner is 8 or more, so the one with an EER of 8 is the one you should buy. Low efficiency units have EERs of around 5 or 6. You save money, too.

You've already found that the second example is the more efficient air conditioner. It will probably cost a little more to buy, but because it's more efficient, it would cost less to operate. In the long run, an efficient air conditioner helps keep electricity rates as low as possible. And right now, an efficient air conditioner helps conserve our country's natural resources.

History Draws Bicentennial Sightseers

The summer of '76 will be like none other, for it will be the summer of the Bicentennial. For those who want to get away from the everyday scene, visiting places of historical interest will make this year's vacation even more meaningful.

Philadelphia is expected to attract as many as a million visitors this year, with its wealth of historical sites. There, the "Liberty Trail" begins with the famed Liberty Bell, housed near Independence Hall.

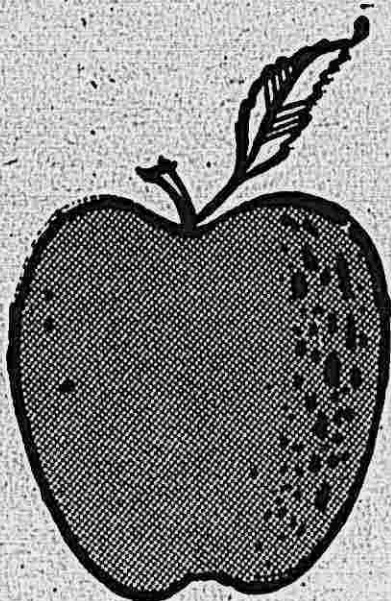

Also on the Liberty Trail, continuing through five Pennsylvania counties, are the house where Jefferson wrote the Declaration, and an inn used by Washington's army.

Washington, D. C. is also expected to attract its share of visitors this year, who will be seeing such points of interest as the Washington Monument and the Lincoln Memorial. If you do plan to visit the nation's capital, try and see some of the lesser-known historical sites as well. For instance, St. John's, known as "the church of the Presidents" has played a role in American history since 1816.

THE TOP MALE LOSER in the Intermatic Diet Derby, paying \$3 per pound, was Harry Hensley, who dropped 42 pounds. President Jim Miller checks proof of the weight loss.

At the right is John Palka, heaviest entrant at 360 pounds, who lost 24 pounds, and said this was a record annual weight loss for him.

The president of the Spring Grove company gave 41 employees nearly \$3,000 for losing weight in a year-long program.

Miller started the program in March of 1975, because "overweight is a killing disease, and there is a definite relationship between health and weight."

Promised a reward of \$3 for each pound lost, 137 employees vowed to lose at least 15 pounds during the year. The group dropped a total of 1,258 pounds.

Of those who signed up, 104 lost weight, 30 gained, and 3 remained the same.

Sequoit Varsity Leads League

The Antioch High School varsity baseball team opened its 1976 season with an impressive 5-0 win over the defending conference champs, the Rams of Grayslake.

The Sequoits then won a doubleheader from Woodstock and found themselves leading the Northwest Suburban conference with a 3-0 record. Five other teams were tied for second with 2-1 records entering Tuesday's games, which included an Antioch trip to Lake Zurich.

The Sequoits started the attack on Grayslake early when Tom McAvoy led off the first inning with a walk and stole second. Chris Boarini tripled to left, bringing in McAvoy.

The Sequoits scored three more in the third. McAvoy led with a single to left and again stole second. Don Norwick then singled sharply to left, scoring McAvoy.

With the tension building Mitch Witt doubled, sending Norwick to third. Boarini then grounded out to the second baseman with Norwick scoring on the throw to first and Witt advancing to third. Dan Vos then singled to score Witt.

WITH THE score 4-0 the Sequoits singled in one more run

after McAvoy hit a triple to left. Witt singled in McAvoy for the final run.

Dave Zitkus got the win for the Sequoits in relief of Keith Evanson. Each pitcher struck out five and gave up only one hit.

Last Thursday the Sequoits traveled to Zion where the Zee-Bees won the non-league game 8-6.

The Zee-Bees scored the first run in the second inning. The Sequoits then gained the lead when Terry O'Brien singled to lead off the third. McAvoy got a walk and Norwick singled to load the bases.

Zitkus responded with a single, scoring O'Brien. McAvoy was thrown out trying to score from second. Norwick alertly going to third on the throw home. Norwick then scored on a wild pitch.

Zion tied the score with a run in the bottom of the third.

IN THE fourth the Sequoits put together a scoring drive when Drew Dietz got on with a bunt and advanced to second. Jon Bodin got on with an error, with Dietz going to third. Bodin then stole second. Both runners scored on Norwick's double.

Witt got on by another error, Norwick moving to third. Witt went

to second with the catcher throwing the ball into the outfield, Norwick scoring and Witt going to third. Then the right fielder threw the ball away with Witt scoring.

But Zion scored five runs off losing pitcher Ken Briedel in the sixth to finish the game.

The Sequoits coached by Bill Seemann, assisted by Tom Baba, have plenty of help from Pat Mullins, Julie Gutowski, Sheila Haley, Fran Dost, Charlene Keller, and Rosline Scheske. These people collect helmets, bats, foul balls, etc.

The Sequoits extended their conference record to 3-0 with a doubleheader victory Saturday, 5-3 and 9-3 over Woodstock.

Keith Evanson started the first game and went the distance, finishing with 9 strikeouts and scattering 7 hits.

In the first inning, McAvoy scored on Witt's double to left. Witt scored when Bodin grounded to the pitcher, who threw the ball away.

In the 4th inning Vos singled Bodin home, then stole second and advanced to 3rd on a wild pitch. He then scored on an error.

In the 6th Bodin singled, stole second and scored on Vos's single.

In the second game Witt opened with a triple to right, scoring later.

In the 4th the Sequoits sent 8 batters to the plate, scoring 3 runs on only 2 hits. Dan Vos tripled to left to open the attack.

In the fifth, Witt tripled to left and scored on a two-out home run by Bodin.

In the seventh Norwick blasted a homerun over the center fielder's head. Witt then hit his 3rd triple of the game, later scoring on Dietz's ground out.

Winning pitcher was Junior Dave Zitkus. Dave faced only 26 batters, striking out 16. He held the Blue Streaks to 4 hits, all singles.

The Sequoits play an important conference doubleheader at Warren Saturday, with the second game being broadcast on WKRS.

Freshman Baseball Team Hard to Beat

Antioch High School freshman baseball is off to a fast start for the 1976 season.

The young Sequoits began their schedule on Tuesday of last week with a win at Grayslake, 11-10.

Antioch had a four-run lead going into the last inning, but walks and a couple of Antioch errors helped the opponents score three runs to narrow the gap. Pitcher Scott Schroeder was awarded the win.

Last Thursday, Antioch opened at home with a 10-9 win over Zion. Another four-run lead in the last inning melted away via walks and errors, but the Sequoits hung on behind the strong pitching of Chuck Gleason.

On Saturday, the frosh Sequoits swept a doubleheader from Woodstock to move their overall record to 4-0 and conference record to 3-0. Strong hitting and pitching enabled the Sequoits to breeze to 14-1 and 24-11 victories over the Blue Streaks. Schroeder pitched the opener with a two-hit, eight-strikeout victory.

In the nightcap, Chuck Gleason pitched steadily as Antioch, powered by 23 hits and 16 stolen bases, shocked Woodstock 24-11. Designated hitter Woody Edgell had four hits in seven at-bats in Saturday's two games.

Offensive punch has also been supplied by Mike Lischewski, Mike Wenka and Schroeder in Antioch's four wins.

Other members of the team are Greg Bodin, Dan Crichton, Kevin Gallagher, Steve Gebauer, Rod Inman, Tod Knuth, Scott Leland, Tom Melhorn, Rob Nauman, Ted Poulos, Phil Rozin, Charlie Schreiber, Pat Sikorski, Kevin Walsh, Mark Nauer and managers Laura Lewandowski and Debbie Mondrowski.

"Given control pitching, Antioch should be hard to beat this spring," said Coach Mark Guthrie. "This week we host Warren for a doubleheader starting at 10 a.m. Saturday. The public is invited to come out to the high school and root our young Sequoits on."

Drivers Get Ready at Wilmot Track

Cold weather held the number of drivers, cars and fans to only "light traffic" for a practice session at the Kenosha County Speedway in Wilmot Sunday afternoon.

Super-modified and sportsman stock cars will open the 1976 season there Saturday night and drivers took advantage of the chance for a

last-minute shakedown of their machines.

Dick Colburn, Milwaukee, was the first driver on the track.

Many Lake County drivers were on hand. Gene Pennington, Waukegan, tried out his new wedge-shaped modified. John Tierney, Lake Villa, ran fast too but was not entirely satisfied with his engine's performance.

Rookie Roger Hacke, Waukegan took advantage of the afternoon to learn the high speed racing he will be facing this Saturday night when the new open competition, promoted by Toft Auto Racing, opens the 26th year of racing at Wilmot.

Sportsman drivers were on hand, trying to work out greater speed to upset the 1975 champion Duke Norton, McHenry, who did not show up. Dave Zillmer, Silver Lake, looked like the fastest of the group. Tom Homan, Antioch had some minor trouble with his engine but said his car would be race-ready Saturday night.

Gates will open at 6 p.m. with the first race at 8.

Rezin Hurls One-Hitter

Antioch sophomore Keith Rezin pitched a one-hit, 10 strike-out, 16-0 shutout against Woodstock's sophomore baseball team Saturday.

John Eder went four-for-four, with one triple and one double, hitting in three runs and scoring three himself. Rezin also hit three singles in four times at bat.

In the second game of the doubleheader, Antioch's sophomores had to fight back in the bottom of the seventh to win 6-5 over Woodstock. Antioch was down 5-2 in the fourth when Kenn Rosenbrock came in to strike out six of the last nine Woodstock batters to stop their scoring.

"Jim Gutowski, Randy Leland, Mike Volling, Rosenbrock and Tom Dixon provided clutch hitting in the seventh inning and John Eder hit in the winning run with two outs," Coach Harold Abramson said.

Lake Geneva Races Reset For Saturday

Rain showers at the Lake Geneva Raceway Saturday night prevented the opening of the 1976 stock car season.

An impressive number of cars in both the late model group and sportsman cars were on hand. Dave Watson, Beloit, who won three times at the Raceway last year, was on hand in the Nielsen Enterprises Camaro. Runner-up driver in point standings last year, Larry Hicks, Lake Geneva was there in his new Dodge Challenger as was Danny Darnell, Deerfield; John Burmeister, Burlington; George Weyrauch, Lake Geneva, and Larry Leach, Elkhorn. All were turning impressive practice speeds in between the showers.

Roger Meyer, Columbus, Wis., 1975 sportsman stock car champion was on hand and was running at speeds comparable to some of the late models.

Rain forced the decision to postpone the opening until this Saturday. Fans were assured that their rain checks would be good then or any other Saturday night this season.

ONE FLEW OVER THE CUCKOO'S NEST

Ken Kesey's 1962 novel of rebellious, insane asylum patients is faithfully reproduced in Milos Forman's stylish and moving film version. Jack Nicholson was practically born for the leading role of fast-talking R. P. McMurphy, the free-spirited fighter of the system. He is supported by excellent performances from Louise Fletcher, William Redfield and Will Sampson. Dale Wasserman's off-Broadway version of this comedy-melodrama was popular among the young, mainly because of its anti-establishment theme. The film is destined to follow suit. (R)

ACHS Teacher Is Finalist

Antioch Community High School has received information from the Chemical Industries Council of the Midwest that one of its teachers, Mr. Richard Elliston, has been named as one of three finalists in the annual Davidson Award competing for outstanding chemistry teacher in the Chicago area.

The award is given annually by the Chemical Industries Council based on many factors, including innovative approaches to the teaching of chemistry, extra-curricular activities, achievements of former students, and general excellence in classroom work.

The judges have completed preliminary judging and will observe in-class work the week of Apr. 5.

The Davidson Award will be given at the Annual Scholarship Luncheon scheduled on May 13 at the Pick-Congress Hotel.

Mr. Elliston and ACHS Principal Art Blecke have been invited to be the guests of the Chemical Industries Council at the luncheon.

Crafts Enrich Leisure Time

People usually have more time on their hands during the summer months... time that can be spent pursuing a creative hobby or craft. If you find yourself with leisure, why not try a needlecraft such as crocheting, knitting, needlepoint, quilting or crewel. Or, you might enjoy making scented soap, candles, decoupage or weaving baskets.

Crafts occupy the hands, the eyes and the mind. They are hobbies that allow the person doing them to express her or his creativity. Ancient crafts such as wood carving, weaving, batik fabric dyeing and ceramics have occupied people for centuries. These and other crafts produced important items for the home. In fact, most crafts originated with "homespun art" where people made the things they needed. Today, we can easily buy assembly line, machine-made goods, giving us more leisure time. However, with space-age technology, we have a tendency to overlook ancient crafts that required time, patience and a certain creativity that cannot be found in a machine-made product.

Kits, which include all of the items and materials necessary for one particular craft can be purchased in most hobby and craft stores. These kits include instructions for crocheting an afghan or assembling a model airplane. Numerous books are also available explaining the origins of various crafts and the materials necessary for working on those crafts today. Hobby and craft stores carry supplies for all types of crafts, including stained glass window-making, rug-making, weaving, ceramics and creating mosaics.

Working on a craft gives you a sense of involvement, while finishing a project can result in a wonderful feeling of accomplishment. Why not involve yourself in an interesting craft today!

APR '76 Form 103 © SCW, INC.

URGE TO CREATE and increased leisure time have contributed to the growing popularity of crafts among all ages. Packaged kits, along with stores specializing in crafts, have encouraged many to create own handiwork.

The \$7 billion bear. It really happened. A hibernating bear did what sub-zero temperatures, howling winds and heavy snows couldn't do: he stopped work on the 800-mile Trans-Alaska pipeline. Seems a survey crew stumbled on a hole in its path—and the hole growled. All survey

activity on the \$7 billion line within a quarter mile of the bear was suspended, until his nubs finally woke up and moseyed away several weeks later. Where do Alaskan bears sleep in winter? Anyplace they want to!

OBITUARIES

WILLIAM R. FELDKAMP, 45, passed away suddenly from a heart attack at his home in Paddock Lake, on Apr. 10.

He was born May 12, 1930 in Chicago and moved to the Salem Township area 10 years ago.

Mr. Feldkamp was employed for the past two months by I.D.I. Corporation in Milwaukee as an electronics Engineer, and for 15 years previously by Kleinschmidt laboratories in Deerfield. He married Cheri Barrette on August 5, 1972 in Kenosha. He was preceded in death by one brother.

Survivors are his wife, Sheri, three sons, Ralph, Randy and Jeff Feldkamp of Florida; four stepchildren, Roger, Mark, Barbara and Scott Barrette, all of Paddock Lake.

Funeral services will be held at 1:30 p.m. Apr. 14 at the Strang Funeral Home in Antioch. Rev. Stephen Williams of the Antioch United Methodist Church will officiate. Interment will be in Liberty Cemetery. Memorials in memory of Mr. Feldkamp may be given to the Salem Township Rescue Squad or the Antioch Rescue Squad.

RAYMOND M. ELKIN, 67, of Trevor, passed away Apr. 11 at Kenosha Memorial Hospital. He was born Nov. 29, 1908 in Chicago and resided in Chicago until moving to Center Lake Woods Subdivision in 1971.

Mr. Elkin holds membership in Holy Name Catholic Church. He had owned and operated the "Elkin Ice Co." in Chicago for over 30 years and afterwards was employed by the City of Chicago in the Sanitation Department for 15 years.

He married Theresa Miles on Apr. 9, 1932 in Chicago.

Survivors are his wife Theresa, one son Donald R. (Shirley) Elkin of Chicago; three brothers; one sister and four grandchildren.

A funeral mass will be held at 10:00 a.m. today at Holy Name Catholic Church in Wilmot. Interment will be in All Saints Cemetery in Des Plaines.

JOSEPH B. PECORA, 55, of 620 a. Grass Lake Road, Antioch, died last Wednesday at McHenry Hospital.

He was born June 2, 1920 in Chicago, and was a custodian at St. Ann's Nursing Home, Techney, Ill.

Mr. Pecora is survived by his widow, Mildred (nee Marchese); one son and four daughters.

Services were held Saturday at the MacGillis Funeral Home, Round Lake. Interment was in Ascension Cemetery, Libertyville.

PEARL DAVIS, of California Subdivision, Antioch, died Apr. 6 at St. Therese Hospital. She was a 27 year resident of Antioch and a member of St. Peter's Church.

Survivors include her husband, Floyd, two daughters, Mrs. Roger (Marguerite) Stahl, Antioch; Mrs. Melvin (Patricia) Groh, Lisle, Ill.; two sons, W. Theodore (Mildred) Davis, Arlington Heights, Floyd A. (Louise) Davis Jr., Antioch; 22 grandchildren; 10 great grandchildren; and one brother, Al Fredricks. She was preceded in death by sisters and brother, Leoma Mess, Hazel Nelson, Mamie Shetreda, Gertrude Huginin, Bill Fredricks, Louise Tonne and Margaret Fredricks.

Funeral services were Thursday from the Barr Funeral Home Colonial Chapel, 532 Lake St., Antioch, to St. Peter's Church. Interment was in the family lot in Hillside Cemetery in Antioch.

JOHN A. SCHUELER SR., 61, of Salem, passed away on Apr. 9 at Kenosha Memorial Hospital.

He was born Jan. 15, 1915 in Melrose Park and moved to Salem in 1973.

Mr. Schueler is a member of St. Scholastica Catholic Church at Bristol and a former member of Prince of Peace Catholic Church in Lake Villa. He served 18 years as a member of the Lake Villa Rescue Squad, and 14 years as Captain of the Squad, then retired in 1974. He served in the U.S. Navy and holds membership in the Lake Villa Post No. 4308 of the V.F.W. He is a past member of the Lake Villa Lions Club and had been employed for the past 5 years by the Melville Confections Co. in Melrose Park as a Maintenance Supervisor.

He married Alfreda Jackowski on Aug. 15, 1947 in Chicago.

Survivors are his wife, Alfreda; one daughter, Mrs. Mary Kinsch of Wonder Lake; one son, John (Mary Pat) Schueler Jr. of Round Lake Beach; four brothers; one sister and six grandchildren.

A funeral mass was held at 11:00 a.m. Monday at Prince of Peace Catholic Church in Lake Villa. Rev. David Lynch of that church officiated. Interment was in Ascension Cemetery in Libertyville. Memorials may be given to the Lake Villa Rescue Squad, the Salem Township Rescue Squad or Masses.

OAKWOOD KNOLLS NEWS

By JEANNINE LEONHART

The annual spring dance of the Oakwood Knolls Property Owners Association will be held Saturday, Apr. 24, from 9 p.m. to 2 a.m. at St. Peter's gym.

Music for everyone's dancing pleasure will be provided by "Just Us." As in the past, members of the association will provide their menu specialties for a delicious buffet supper.

Decorations chairman Barb Johnson and her committee will create the atmosphere for a giant birthday party as we salute the American Bicentennial with our "Happy Birthday, American."

TICKETS FOR this event are

on sale from association members, the First National Bank of Antioch or by calling Judy Phillips, ticket chairman, at 395-3270. Donation for the dance, buffet supper and door prizes is \$4 per person.

Pearl and John Roach have returned from a three week vacation in St. Petersburg, Fla., where they visited John's sister. The highlight of the visit for Pearl was a trip to Lake Wales, Fla., where they saw the Passion Play.

The Lake Wales production of the Passion Play is put on by the same group that does the Black Hills summer production. The outdoor performance is staged in an orange grove, while the

audience sits on bleachers on the side of a hill. In all, the setting, actors and openness of the outdoors made it a very impressive experience, according to Pearl.

A SPECIAL welcome to the neighborhood is extended to our new residents on Zelinger Lane, Mr. and Mrs. Woodruff Kelly Jr. and their family. Be sure to come to the dance and meet them.

Special congratulations to Mr. and Mrs. Troy Tollison who were married Saturday, Apr. 3. It certainly was a lovely day for a wedding.

Don't forget to call and let me know the news.
